

4-H National Mentoring Program

4-H YOUTH FUTURES
COLLEGE WITHIN REACH

Are you ready to learn about college and career opportunities?

Does this sound like you?

Live in North Carolina

Member of a military-connected family

Middle or High School student between 12-17 years old

Ready to learn about college and career opportunities

You will get the opportunity to grow personally and professionally while working with a mentor to explore topics such as college and career readiness, college application processes, academic and career goal setting, and creating sustainable plans leading to long-term success!

Participants will

- Engage in fun group activities
- Learn about various personal and professional topics
- Prepare for college and/or career
- Build your social and professional network
- Work with a mentor selected specifically for you
- Explore college and career opportunities

Participants describe the program as

YOUR FUTURE STARTS TODAY! ARE YOU READY?
